2023 TESTIMONIALS

Fantastic school, in a fantastic setting. There's a real sense of community with the school staff, teachers, students and other parents. I can't say I've ever heard anyone utter a bad word about it. A truly nurturing and caring environment. Thank you Rain Trees

Jackie and Chris, Parents of Finley

Rain Trees is truly unique in its offering and I feel so lucky that my child has gotten the chance to go here. Communication is open and thoughtful, the ethos is nurturing and my child has come on leaps and bounds academically since going there. I wish there was an equivalent of Rain Trees that extended into the Primary ages!

96% OF PARENTS RATE OUR TEACHERS AS FANTASTIC

"Reina has tried a couple of schools prior to joining Rain Trees. The teachers here are extremely child centred, adapt to the child's abilities, honest with feedback (constructively) and they make coming to school so much fun. However, it is not just fun and games, the kids learn so much without even realising they are learning life skills! Reina wakes up every morning truly excited to go to school and to me, this is priceless!"

92% RATE OUR OFFICE ADMIN AND COMMUNICATION AS FANTASTIC

Rain Trees is hands down the best kindergarten in Singapore! We have seen both our children transition through from 18 months to 5 years old, and RT has been instrumental to their development as happy and content children! Rain Trees has in our view provided an excellent balance of play based learning, care and appropriate curricula achievements that our children thoroughly enjoy! Our children have loved the expectations they have been presented with, and the age appropriate independence achieved from a fairly early age. I can highly recommend Rain Trees for anyone looking for a holistic, semi-structured environment for their child, coupled with amazing love and care from the brilliant staff! Lastly, Rain Trees has a great reputation at schools such as Dulwich College and Tanglin - kids are very well prepared socially and 'academically' when moving on from the Kindergarten to larger schools.

CARING | EXPLORING | FUN

"Our son had the biggest smile going off to Rain Trees everyday! Rain Trees provides such a loving, nurturing environment making learning fun- just as it should be for our little people. Super group of like minded parents made settling into Singapore easy too and our helper always felt so welcome at pick ups and drop offs too. Thank you Rain Trees!

Victoria and Andrew, Parents of Monty

"Rain Trees has a very special place in our hearts, as the nurturing and caring environment where our boys learned and grew. Our kids absolutely blossomed at the school, under the caring guidance of a wonderful staff. Learning through fun is the Rain Trees way, as the children enjoy weekly themes, baking in the school kitchen, outdoor and water play and learning maths and literacy through exciting games. We will miss Rain Trees and the wonderful school community! Thank you for all you did for our children!"

Julie and Bradley, Parents of River and Skyler

"Rain Trees has been a wonderful, nurturing home from home, for my son since the age of 18 months. We originally started in the playgroup and I knew straight away that this would be my sons first school. We loved being welcomed with a big smile at the gate every morning by the school staff and as a parent I have made some lovely friends thanks to the social nature of the school. I have watched my son thrive and I am constantly amazed by some of the things he comes out with after a morning in class! Thank you Rain Trees we will miss you all terribly.
